

kitchen.

surface cleaner

Hero Ingredients

Liquid soap from
Coconut oil, an
excellent cleaner

Eucalyptus, Clove,
Tea Tree, Menthol
essential oils

Benefits

TOUGH ON GREASE:

Tough on grease, oil and food stains. A little goes a long way.

VERY VERSATILE:

Suitable on a wide range of surfaces from kitchen benches to appliances and whitegoods. Tested on many surfaces like timber, caesarstone, ceramic, granite, marble, laminate, engineered stone etc.

SAFE TO USE AROUND KIDS & PETS:

You can have peace of mind knowing that the ingredients are safe around people, pets and don't harm our planet

GREY WATER & SEPTIC SAFE:

Ingredients carefully chosen to ensure safety for septic systems and grey water use.

How to use it?

SPRAY: Spray the product directly onto kitchen surfaces and appliances and wipe thoroughly with a soft dry or slightly damp cloth.

WIPE: For the best cleaning results, we recommend using a microfibre cloth. That way, you get cleaner surfaces with the same effort because the microfibre is picking up more particles than a normal cloth.

euclove.

love for you.
love for the planet.
love for the future.
