

linen & bedding spray.

smells amazing

Hero Ingredients

Neem & Eucalyptus essential oils to help disinfect linen

Lavender and Vetiver essential oils promote relaxation and support a restful night's sleep.

Benefits

GET A BETTER SLEEP: Pure essential oil blend of Lavender and Indian Vetiver help you relax and get a good night's sleep.

AROMATHERAPY PROPERTIES OF PURE ESSENTIAL OILS: Pure essential oil blend of French and Bulgarian Lavender and Indian Vetiver help you relax and get a good night's sleep.

SMELLS AMAZING: Pure essential oil blend that smells amazing – Lavender, Vetiver and Australian Eucalyptus oils. These natural ingredients transform your nightly routine into a peaceful, restorative experience.

VERSATILE: Spray on bed linen, pillows, doona/duvet, mattresses, fabric and even shoes.

How to use it?

Remove sheets and pillowcases for changing, shake well & spray at arm's length directly on mattresses, sheets, pillowcases and pillows, allow to dry for a few minutes.

Once touch-dry, put on your fresh linen. It leaves your bedding smelling so beautiful and fresh.
