

multi purpose cleaner

naturally clean

Hero Ingredients

Traditional
liquid soap
made from
Coconut oil

Eucalyptus blue
mallee, blue gum &
Himalayan
Cedarwood essential
oils

Benefits

TOUGH ON GREASE: Powerful natural ingredients including Coconut soap clean even tough grease and cuts through grime and stains.

ANTIBACTERIAL INGREDIENTS: A unique blend of pure essential oils helps to fight bacteria and germs.

SMELLS AMAZING: Pure essentials like Australian Eucalyptus and Himalayan Cedarwood.

VERSATILE: Spray on any surface - the natural plant based formulation is safe to use, just spot test first if you're unsure.

SEPTIC & GREY WATER SAFE: Natural, non-toxic ingredients that are safe to use with septic and grey water systems.

How to use it?

Shake well before use. Spray on hard non-porous surfaces, wipe thoroughly with a soft dry or slightly damp cloth. Use with care on painted, varnished, polished, lacquered and porous surfaces.

If unsure, spot test a small inconspicuous area before use.
